## About the CSR Report

### Editing, issuance and scope

Evergreen Marine Corp. (hereinafter referred to as Evergreen Marine) has issued the Corporate Social Responsibility (CSR) Report since 2013. The CSR Report covers the actions and achievements of Evergreen Marine with regard to its economic, social, and environmental aspects from January 1, 2020 to December 31, 2020. All the local or important operating bases disclosed or referred to in the CSR Report indicate those of Evergreen Marine in the Taiwan area.

To completely disclose relevant performance information, the information of the fleet regarding the environment and educational training also involves our subsidiaries in Britain and Singapore. The information about the expatriates covers the individuals under the centralized management of the Evergreen Group (Evergreen International Corporation).

- Last issue: August 2020
- Current issue: August 2021
- Next issue: Scheduled at August 2022

### Editorial policy

Evergreen Marine is continuing to monitor all CSR-related issues. Open channels of communication are maintained with each stakeholder to incorporate their concerns in the corporate governance, economic, social and environmental aspects into our business strategy and options. The publication of this report is also used to examine our practices in sustainable development. The editorial structure of this report adheres to the "Core" options of the Global Reporting Initiative Standards (GRI Standards) and the Marine Transportation Standards 2018 set out by the Sustainability Accounting Standards Board (SASB) to ensure a full disclosure of CSR accomplishments made by Evergreen Marine and the outcomes of stakeholder communications.

### External assurance

We commissioned Deloitte Taiwan to conduct a limited audit of this Report in accordance with the ROC Statements of Assurance Engagements Standards No 1. "Assurance Engagements other than Audits or Reviews of Historical Financial Information." The letter of assurance is included in the report annex.
