Title: Policy	Page: 1/1			

Safety and Environmental Policy

EVERGREEN GROUP (hereinafter referred to as the "Company") has traditionally recognized the obligation to conduct its affairs as a constructive corporate member of society has established a "Safety and Environmental Management System" for our cargo ships and Company's shore based personnel. We

- Commit to assess all identified **risks to its ships, personnel, the environment and establish appropriate safety, environmental safeguards and cyber security, so as to provide for safe practices in ship operation and a safe working environment.** Moreover, to keep effective communication with all persons working for and on behalf and under the control of the Company with the intent that they are made aware of their individual safety and environment obligations as appropriate;
- Commit to protect the environment, including prevention at sea and local area; taking air quality protection; GHG emission reductions; climate change adaptation; energy efficiency improvement; protecting biodiversity and other specific commitments relevant to the Sea;
- Commit to continuously improve the safety and environmental management skills of personnel ashore and aboard ships, including preparing for emergencies related to safety, environmental protection **and cyber risk**;
- Commit to fulfill the compliance obligation of applicable national and international safety and pollution prevention laws, regulations regarding air, water and environment in general; and expectations of interested parties to which we subscribe.

It is our policy to provide marine transportation services with safety and efficiency. Through management review we assess the adequacy, effectiveness and suitability of our management system periodically, including our stated policies and associated objectives, to ensure that these targets are met.

I will be fully responsible for implementing the safety and environmental policy. I hereby formally appoint the Designated Person (DP) to monitor the implementation of Safety and Environmental Management System to provide a link between the Company and ship.

The Company's Safety, Environmental policy can be obtained at any time by visiting our web site www.evergreen-marine.com
